Guys, get yourselves ready for some Brazilian girl-on-girl sex. That's pretty obvious from this picture, but can you guess what we're going to do to each other. We'll give you some hints. We're gonna use our mouths, tongues, fingers and Freddie. Just a typical day for us lesbians. Okay, that's enough, now you can turn the page. The action starts shortly.

MY BRAZILIAN ASS IS VERY TIGHT

SEXXX SURVEYS

250,000

HOW MANY COUPLES ARE HAVING SEX RIGHT THIS MINUTE?

That's a very good question and an impossible one to answer accurately. But we'll take our best stab at it. Of course, we'll be rounding off the numbers for easier comprehension. So, let's assume there are about 7 billion people in the world, and half are men and the other half. Let's rule out anyone under 18, so that leaves about 5.5 million of sexual age. Just to be safe, let's rule out another half billion who don't have sex, or rarely

have sex for one reason or another, and we'll work with 5 billion people. Then, let's assume that a couple has sex once a week. That's 2.5 billion couples divided by 7 or 360,000,000 hook ups per week. Now we'll divide that by 1440 minutes in a day and we get approximately 250,000 couples knocking boots every minute. Or if you like your stats a little tidier, then that works out to be 15 million per hour and 86,400 per second.

264

We asked 500 women in Miami if they had ever faked an orgasm with their partner. More than half admitted that they had, and most of those more than once. After that, we were afraid to ask their men if they thought their partner ever faked one!

2,000-4,500

U.S. crime estimate statistic on the amount of money city police departments spend for each prostitution arrest. Other stats suggest that upwards of \$100,000,000 is spent annually to arrest, process, book and jail ladies involved in the world's oldest profession. We think it's more.

PERCENTAGES

15

Percentage of all worldwide websites that are considered to be pornographic in nature.

36

Percentage of adult women who confess to having viewed pornography on video or web

39

Percentage of adult males who have said that they have watched porn at the workplace.

96

Percentage of adult men who admit they have, at one time or another, viewed pornography.

SEXUAL ETIQUETTE

sex on 4 wheels

It's not exactly legal. You are not free to have car sex anywhere you like. Society has certain rules against public nudity and exposing private parts. So if you can remain totally clothed while having sex in a car, you would not be breaking any laws, but to have car sex, you usually need to take off (or at least pull up or down) some of your attire.

A car does not grant you privacy as a house does. If you expose yourself in a car, it's the same as exposing yourself in public, which is against the law. If a police officer walks by and sees you in the act, you could be charged with one of several crimes that could include public fornication, indecent exposure or gross lewdness. You could be fined or even arrested, not to mention being embarrassed. And forget about finishing what you started. You can have car sex, just be smart about it.

BEST POSITIONS FOR CAR SEX

When you are interested in how to have sex in a car, you'll want to learn the best positions.

Backseat Driver

Get in the backseat for this one, flip the front passenger seat forward, and slide the seat up as far as it will go toward the dashboard.

You sit down in the backseat, and she sits on top of you, facing away from you. She is in the driver's seat (figuratively not literally) for this one because she controls the action.

Or you can put your hands around her hips to direct her movement. She is in a great position for you to rub her clit, too. And with backseat driver position, you both are in perfect lookout position to spot someone coming toward you. Especially the po-po.

Missionary

You can always have standard missionary sex in the backseat. She might need to bend her knees or throw a leg over the top of the seat to find a workable position. Pull the front seats up as far as they will go to give yourselves more room.

Face-toFace Position

This is also called the Mastery Sex position and it's a good position for having sex in a car in the front passenger seat. You sit on the seat, and she sits on you facing you. She can be quite active in this position, or she can slow things down and be more romantic. This position is super intimate because your bodies are in alignment and you are sitting face-to-face. Both of you have your hands free in this position, so you can caress each other ... anywhere.

Blow Jobs

Bjs are best done in a stationary car. There's no worry about accidents or distractions. If you fantasize about road head while

driving, it's probably best to leave this fantasy as just that, a fantasy. Getting oral sex while you're driving is too dangerous an activity for us to recommend. Think about it: if you're distracted enough when texting while driving to have an accident, just think of how distracted you'll be while cumming!

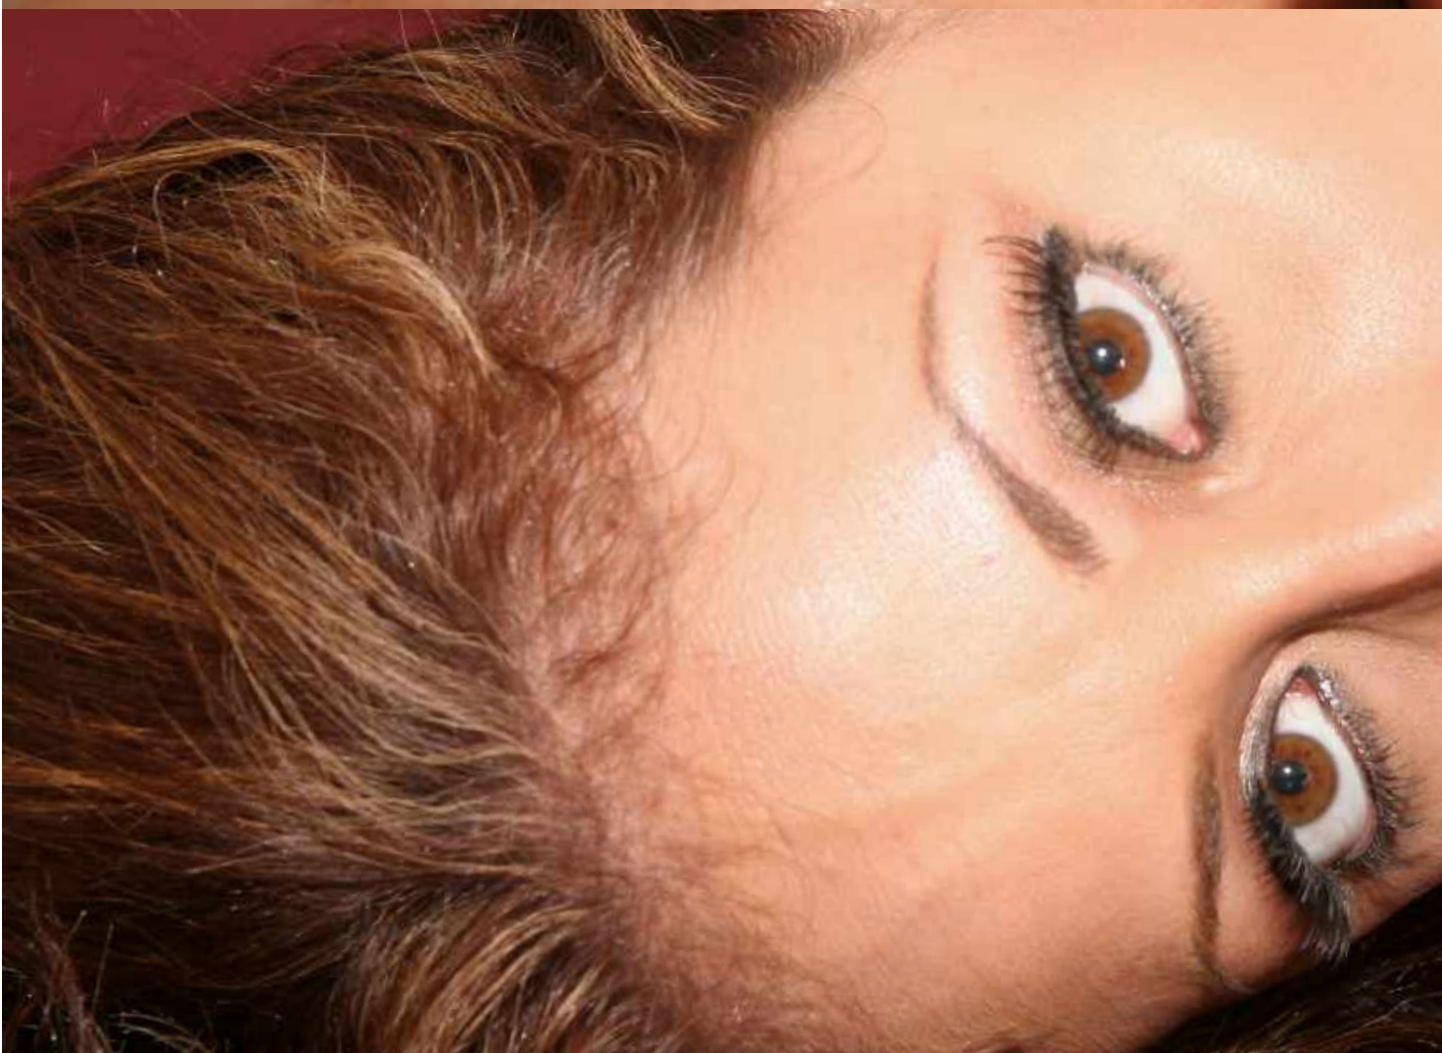

EVA
& **CHAD**

I think guys like fucking redheads. They feel a fire in us that may not be there with other women. All my redhead lady friends are very sexual and we'll often compare cock sizes and other sexy notes over coffee. A couple of us even teamed up on a guy and almost gave him a heart attack.

there's room for one more

I didn't wake up today wondering how many cocks I could blow in one afternoon. But when I thought about it some more, it seemed like a pretty good idea. Not to be greedy, I decided that three would be enough, but then, Arnold brought a friend and I couldn't say no.

Mi Fantasia Favorita

My brother's friend Ramon, is a hunky guy and I think about him a lot. I just turned twenty and my last boyfriend, all through high school, went to college and found himself another girl. For now, I can only dream about him, but any day now...

I imagine it would be passionate, aggressive, fulfilling. Our tongues would be jousting inside each other's mouths. I'd bite his lower lip and run my tongue across it. He would grab me and throw me against the wall. His hands would be all over me, big and strong; grabbing me all over; squeezing my boobs and slapping my ass. His hands would find their way under my shirt as he nibbled on my neck. I would be on fire at this point, wet and longing for him to touch my bare skin. I wouldn't be able to take

I've been told I have a really Latina tight ass. So I'll have to describe myself even more. I have dark brown hair and sexy (so I've also been told) brown eyes. I'm 5' 5' and slim and trim. I have perky 36C boobies and perfect quarter-size nipples. Anyway, there's this guy I've been lusting after for a full year. He's tall, dark hair, good looking with an athlete's body. He's a friend of my brother because they are on the same soccer team together. Whenever I saw him on the field, I would stare longingly until he was out of sight. My best friends teased me about it but I couldn't get him out of my head. I tried to imagine what kind of fuck he was. I have to find out, soon!

it anymore. I'd rip his shirt off and kiss his neck. He'd follow suit and rip my shirt off.

Squeezing my boobs and my bra would come off next and he'd attack my nipples with his touch. Sucking and nibbling on them. I would be getting wetter, the desire was immense. My hand would rocket down to his jeans, his hard cock throbbing inside them. I'd grab his cock and rub it through his pants. Oh god I wanted it. It was so ready for me as hard as it was. He could tell how bad I wanted him and he wanted me just as much if not more. He would start rubbing my pussy through my jeans. He

would feel the heat emanating through them and his cock would get a little harder and I would squeeze it a little more. We would make eye contact and see nothing but lust. We would rip off each other's pants at the same time. And as we would stand there in our underwear, we could do nothing but lunge at each other. It was all grabbing and rubbing and kissing and biting. We needed each other more than anything else. Then he would throw me on his bed and rip off my panty.

He would slowly kiss me from a long, hot, lingering suck on my bottom lip; to my neck on the sweet spot that always gets me; to each nipple, sucking each one forward, causing a small moan to escape my lips; then down past my belly button, flicking his tongue inside it, to just above my clit on my shaved mound. He would smell my lusty, female scent

and need every ounce of strength inside of him to not fuck me right there. He wanted to tease me and make me beg. And knew, as I did, that he was about to give me the fucking of my life.

He'd slowly kiss around my pussy. Sucking and nibbling on my labia. I would be moaning at this point, my pussy getting wetter with each passing moment. He knew how to tease me, he knew to avoid giving me what I wanted so I would beg. I tried to hold out but I didn't moan as loud as I really wanted to; I had to be resistant to him or he would have all the control. Then suddenly I'd feel his tongue slipping more and more closely to my clit. I couldn't take it anymore and I'd scream out for him to fuck me with his mouth and tongue.

With that, he'd go for it and not stop until I came.

His tongue would slither into my pussy, past the folds of my lips, right onto my wet, hot, longing slit. I was screaming, moaning his name constantly under my breath with each pass of his tongue over my pussy. He was purposely avoiding my clit, making me wait for what I really wanted most. My hands were on the back of his head, pushing his tongue deeper inside me. My juices were flowing and that familiar feeling was just emerging inside of me. My moans were getting throatier and I knew he could tell he had me on the verge of a powerful orgasm. I was in ecstasy. My back was arched and my moans were continuous and deep. My hands were on his head and my fingers gripping his hair. My body shook as I came the hardest I ever had in my life. It took me about a minute before the convulsions

stopped and I slowly eased off the wave of pleasure that had rushed over my body. His eyes were locked onto mine and I saw how much my orgasm had turned him on. I wanted nothing more than to return the favor.

I lunged at him shoving my tongue inside his mouth. My fingers were running through his hair and I was grinding my wet pussy against his rock hard cock. I pushed him back against the pillows and slinked my way down and kissed him on the muscles that pointed me to what I really wanted. His cock sprung

out at me.

It was a bit larger than normal and so hard it was throbbing. I grabbed his cock and felt the smoothness and hardness of it. I kissed the tip, which was a bit slippery with his precum. I knew how bad he wanted me and that alone was enough to make me cum again. But I had work to do. I started to kiss him all up and down his shaft. Running my lips against it and sometimes the tip of my tongue would graze it. I made my way back up to the tip. I sucked it into my mouth and at this point his hands made their way to the back of my head. His eyes were closed and his mouth slightly open. As I slowly sucked him, my tongue would slide across the bottom of his shaft. I heard

grunts of approval as I pushed his cock further down my throat. It was sliding in and out of my mouth fast and rough and it was becoming slicker. I felt his cock twitch and grow slightly; hardening from my tongue's lashing. My pussy was getting wetter, I loved how bad he wanted me. I moved to the front of the bed and stuck my ass in the air, spreading my legs a little so he could see my puffy, slippery slit. He grabbed my hips and slowly slid his hard cock inside me. I felt my pussy gripping him and holding on to it. His path started out slow, he was being gentle with me and it was getting me hot. I wanted more. I started moaning, and with that he started ramming me. His cock was sliding in and out of my dripping pussy fast and hard.

My body was flying forward and coming back onto him with each thrust. He started to slap my ass, loud and hard and I could feel the handprints beginning to form. He then reached forward and grabbed my hair. He pulled my head backwards and fucked me even harder. With that he leaned forward and pressed his thumb into my clit and started rubbing. That was the final straw. I started cumming all around his cock. He never slowed his pace, ramming his cock into my pussy and my juices flowed down onto him. My favorite position is cowgirl and I gladly hopped right on top of him. I started sliding my pussy onto his cock. My whole body was tingling. I started to bounce up and down on his cock. I could feel it going deeper and deeper inside of me. I was moaning and squeezing my boobs as his cock was going in and out of me. I sped up my pace, rubbing my clit as we bounced on the bed and rode on him faster and faster.

He flipped me onto the bed with that and pushed my legs back. My pussy was staring up at him, begging for more. He grabbed my hands and held them above my head. I couldn't move from my position, I was completely submissive to him at this point. This only turned me on more as he rammed his cock into me. I could feel it hit the deepest region of my insides. He continued to fuck me that deep and got faster and faster with each thrust. I was

on cloud nine, my pussy was gripping his cock like a vice. My hand now moves down beneath his balls, I spread my knees to push his thighs apart. My slick fingers push over his warm anus, coating it with my wetness, driven wild by thoughts of him doing this to me sometime, knowing how good this is, knowing his response will inflame me further, even on the heels of orgasm. My fingertip rests there, then his slight wig-

gling urging me on. My eyes watch his expression change from second to second as I increase the pressure. His cock thrusts, lifting, the increase in size and girth noticeable as I push my finger further in and curve it gently, wiggling it within his opening, being tender. I know these smallest of motions translate hugely down there. My eyes watch him as his grunts of pleasure build fires in me, that quickly devour my self control. I let my finger push into him to the second knuckle. Curving that finger forward, stroking, thrusting, twisting slowly inside him.

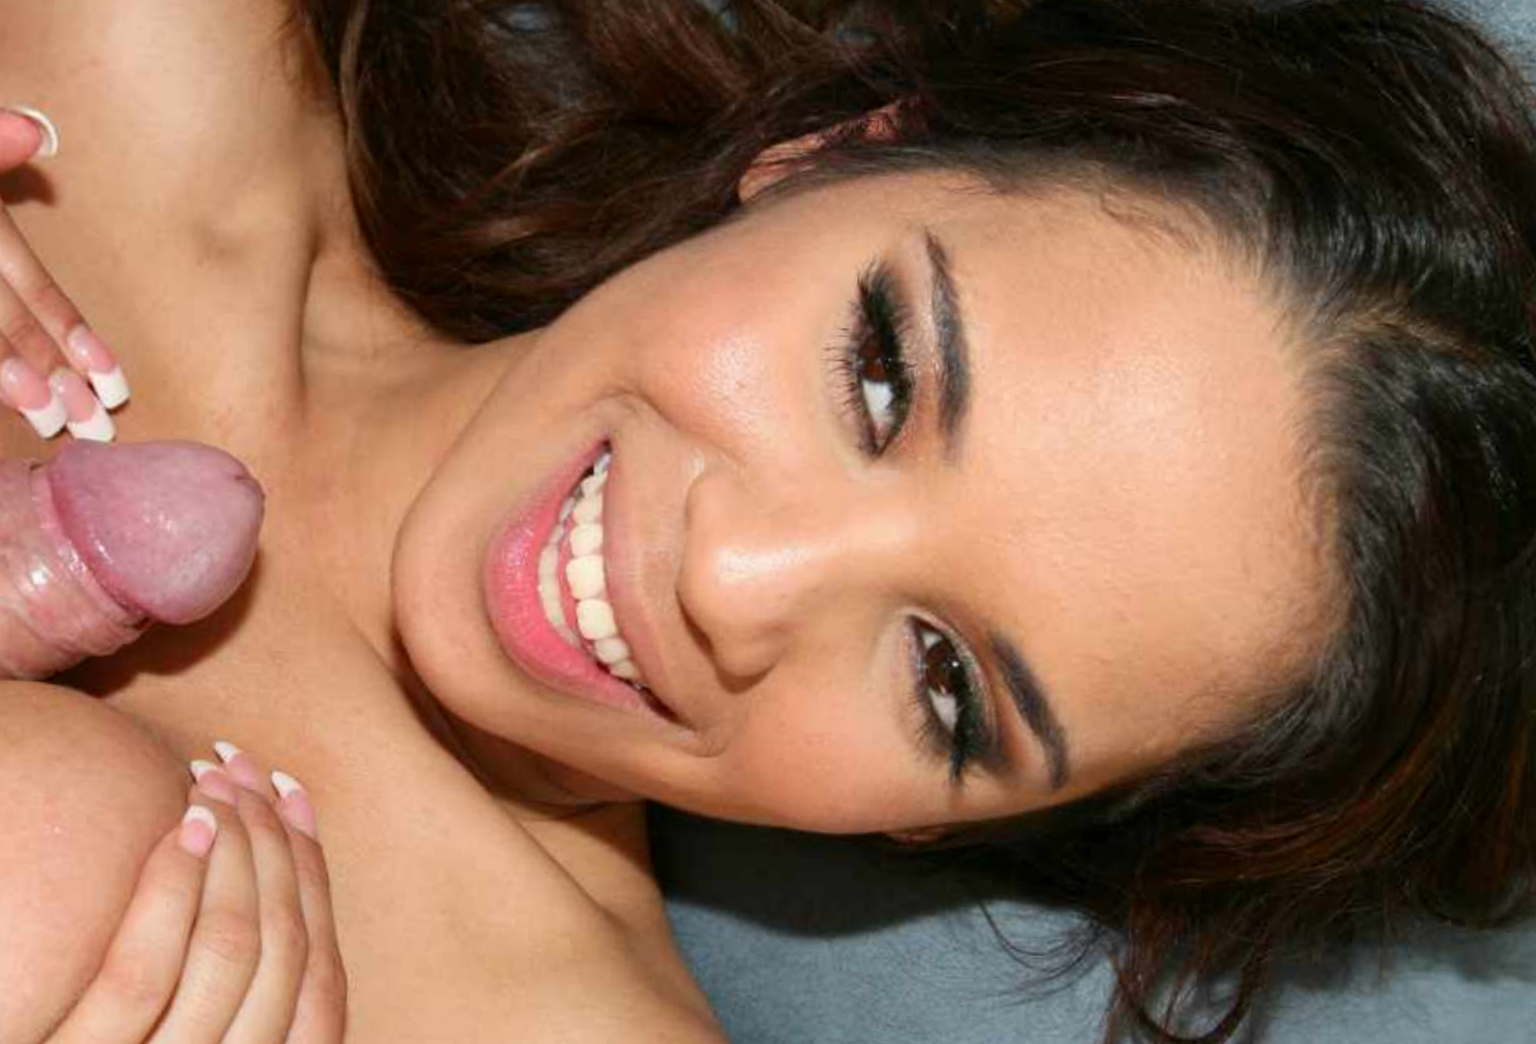

Bending my head to place my mouth over his cock again, the first spurt of his cum floods my mouth and I swallow what I can, then back my lips from his cock to let his cream fly in ropes over my face, my mouth open to catch the spray. I drink in the rest. I let my finger work out of him in thrusts, each one a little shallower than the last, in sync with his convulsing muscles, listening still to the hoarse gasps and groans of his orgasm, knowing then that I can't possibly rest until I cum again. I started to cum again as his cock worked it's wonders in and out of my mouth. Just as that orgasm ended, he pumped harder and another one began. I looked at him, my perfect man doing everything I wanted in a lover. I had finally gotten what I had been lusting after, and I was beyond satisfied. I wanted him and my fantasies, I got him.

A full-page photograph of a woman with long brown hair, posing in a confident, slightly provocative manner. She is wearing black fishnet stockings and black high-heeled shoes with buckles. She is topless, with her hands resting on her hips. The background is a bright, sunny outdoor setting with a clear blue sky and some desert-like vegetation. In the lower right, there are some outdoor furniture items, including a green cushioned chair and a large terracotta pot.

I just love being naked
and having my picture
taken. And I get re-
ally excited when we're
doing a video, too. Men
become powerless when
a naked woman is before
them. We control every-
thing. We got the mouth,
we got the boobs, we got
the pussy, and we got
the – cum on everybody,
say it with me – we got
the ASS. That means we
control it all just by al-
lowing you to have what
we give. And then we
take as much
as we can.
